Dear Mr. Malicki,

It is big. It is complex. It is full of talent. And it is a world-renowned, extraordinary centre for learning and innovation because of people like you.

Thank you very much for your recent donation in support of the Faculty of Arts & Science. As a part of this vibrant and innovative Faculty, I see the impact of your gift every day. Your support helps instill students with life-changing knowledge and enables cutting-edge research discoveries.

By choosing to make a gift to the University, it reinforces your commitment to this institution, and higher education in Canada. It is the students who benefit directly from your generosity and for that I am grateful.

Sincerely,

*Dawn Marie*
